

### Childcare Vouchers - Parent Set-Up

In order to use childcare vouchers as a method of payment for the Austhorpe Primary School before / after school club parents/carers will need to inform their voucher provider. The process for adding Austhorpe Primary as a carer varies and it is recommended that you contact your voucher provider for support (if required). Below we have provided a table for guidance and reference numbers required for set-up purposes:

Childcare Voucher Scheme	Method
